DETROIT SOCIETY FOR GENEALOGICAL RESEARCH MAGAZINE

CUMULATIVE INDEX

VOLUMES XXVI - XXX

PREFACE

To all the members and subscribers who received our first four indexes and who so generously supported its publication, we present this fifth index to the Detroit Society for Genealogical Research Magazine. It is gratifying to know that our magazine has gained such wide acceptance that we can now confidently proceed to supply periodically this index which extends and facilitates the use of our published material.

The index here presented covers Volumes 26 through 30 of the DSGR Magazine, Fall 1962 through Summer 1967. It follows the same form and usages employed in the indexes to our first twenty-five volumes (June 1937 through June 1962).

Cross-references were prepared, as before, for all variations in the spelling of a family's name, e. g. Sutfan, Sutfen, Sutfin, Sutphen, Sutphin, Van Sutphen, Van Zutphen, Van Zutvin. Where a given name is unknown, we have used ---- to indicate it. Where a maiden name is unknown, the symbol is (--).

The making of an index such as this entails long and careful work by many people. If we have made errors, please forgive us.

On behalf of the membership of the Detroit Society for Genealogical Research, we express the hope that this compilation of nearly fifty thousand names will serve as a valuable reference tool.
